2023 Media Facts

Apéritif is the leading on trade food and drink magazine, well known and respected for its in depth articles. Readers work in the licenced horeca business. Distribution also includes members of The Norwegian Sommelier Association and the monopoly shops. The total number of readers is 42 000 according to Kantar Business press 2019.

The magazine can boast top quality high integrity editorial, photos and print. The publisher is dominating in Norway's food and drink scene through the country's by far most important web site on food and drink, www.aperitif.no.

Every second week a digital newsletter is distributed to 3 000 decision makers in the horeca business. The opening rate for the newsletters is very high, 48 per cent, as of November 2022.
